

Adsum for Women & Children

There are many ways to support our work now and in the future. One way is through a gift in your will – a way of giving which is only suitable for some of our supporters.

If there is ever a time which suits your circumstances we would greatly appreciate such generosity because it really can help secure our long term future for the benefit of future generations of those we will be helping.

Small or large, we don't get many such gifts – imagine the impact your legacy could make to the future generations of Halifax's homeless.

To make it easy for you we enclose the wording for your will; you can just send it to your professional advisor, or keep it for the right moment. If this isn't a way for you to give, then we apologize... but this is the most economical way for us to give you the information and we do like to minimize our costs.
